

North Cascades Audubon Society

Research Grants Available!

North Cascades Audubon Society provides a financial opportunity for graduate and undergraduate students pursuing research in:

- Wildlife
- Natural History
- Marine & Terrestrial Biology or Ecology
- Environmental Education
- Environmental Planning or Policy

Financial aid is provided, to help defray the costs related to research, in the form of stipends of about \$200 to \$400 depending on the number of qualified applicants.

To apply please submit a project description stating goals and objectives of the project along with your financial request and a projected budget by April 30, 2009 to:

Don Burgess, Secondary Education/Science Education, Western Washington University, SMATE 250C, 516 High Street, Bellingham, WA 98225-9155, (360) 650-2482, (360)650-7588 Fax, don.burgess@wwu.edu
