

Equipment List

For this course, you will need to supply the following:

- Forceps with fine tip
- Field notebook, pencil
- Blank card paper for making labels
- Insect collection boxes (3)
- Insect pins (300)
- Glassine envelopes (1 pack)

In addition, the following is a list of collecting equipment that is being issued to you for the quarter, to help you assemble your collection. **This equipment is to be returned at the end of the quarter.**

- Aerial insect net
- Pinning block
- Snap-cap vials with alcohol (15)
- Spreading board
- Eye-dropper bottle with ethyl acetate
- Killing jar
- 15ml collecting tube
- Observation block
- Watch glass

For general use, I will have the following materials available, either in the lab or on request:

- Aquatic nets
- Sweep nets
- Cover slip
- Clear fingernail polish
- Paper points
- Probes
- Ethyl acetate
- Slide-mounting materials
- Drying oven
- Microscope slides
- Sorting pans
- Berlese funnels
- Ethanol
