

**Steens Mt  
is a  
CMPA**

TA  
Chris Fabry  
in  
2006

**The Steens Mountain Uplift is W of the Alvord Basin, and includes Steens Mt and Alvord Peak (study site is at black star)**

**View to the north of the study site is Steens Mt**

East view of the gradual west slope of Steens,  
seen from hillcrest on the road above Frenchglen

## View of Steens Mt to the east from near Frenchglen

**Little  
Blitzen  
River valley  
near  
Frenchglen**

# Cooling off in the river

# Steens Mt slopes gently to the west and north

# North facing slope on Steens Mt in July

**Some frozen ponds have not entirely melted  
by early July on Steens Mt**

# Snowmelt pond on Steens Mt

## Pond and upland vegetation on Steens Mt

# The aspen edge

# Leaf miner trail in aspen leaf on Steens Mt

**On Steens looking W toward Blitzen gorge,  
a glacial valley in the distance**

# A valley on Steens Mt

# Wildflowers on Steens Mt in July

# Kiger Gorge, Steens Mt, north view

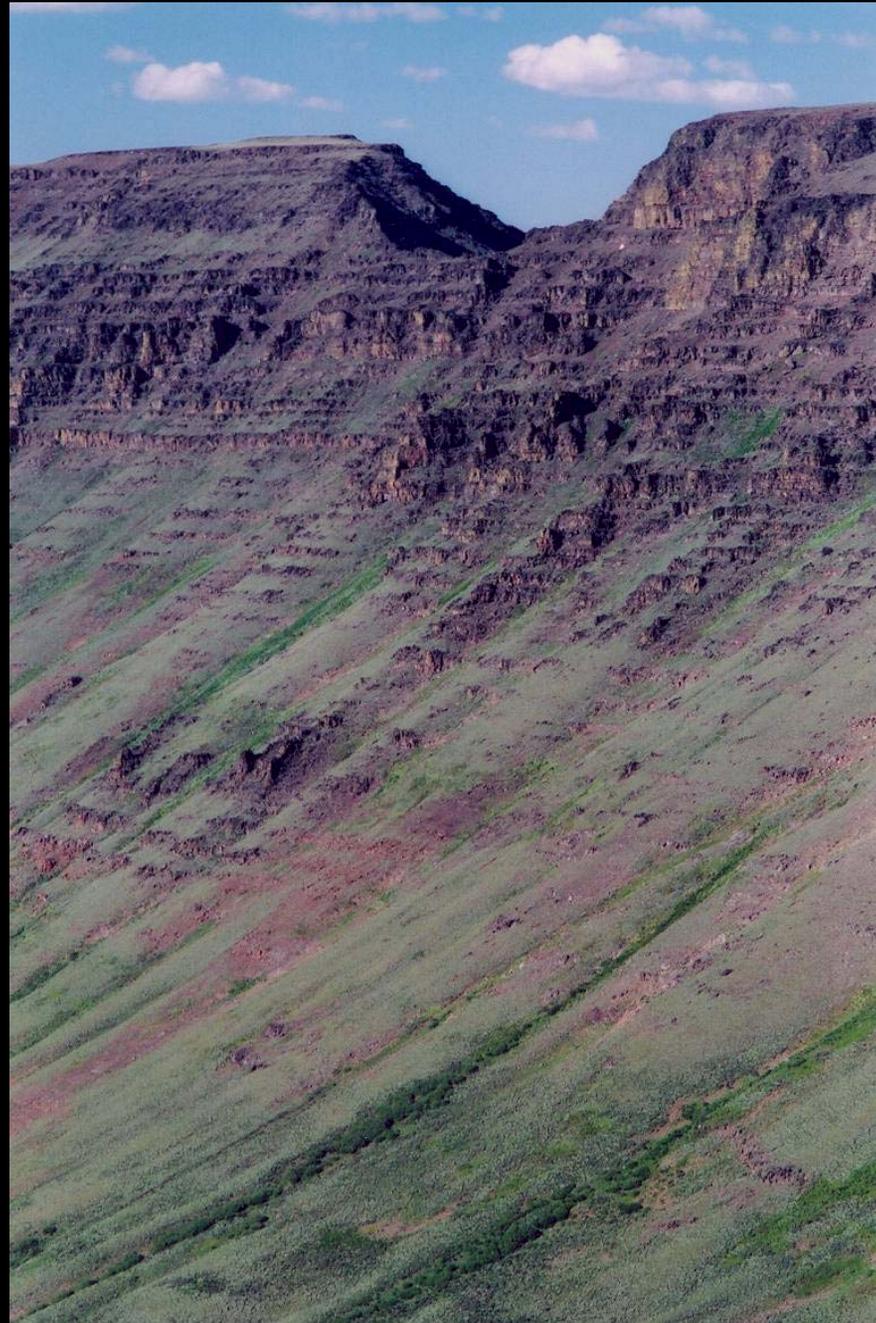

# Kiger Gorge, Steens Mt

# Valley floor in Kiger Gorge, Steens Mt

**Notch on E  
side of  
Kiger Gorge**

**It is refreshingly cool on Steens Mt in summer**

**Eastward view of N end of Alvord Dry Lake  
and lowlands, from atop Steens**

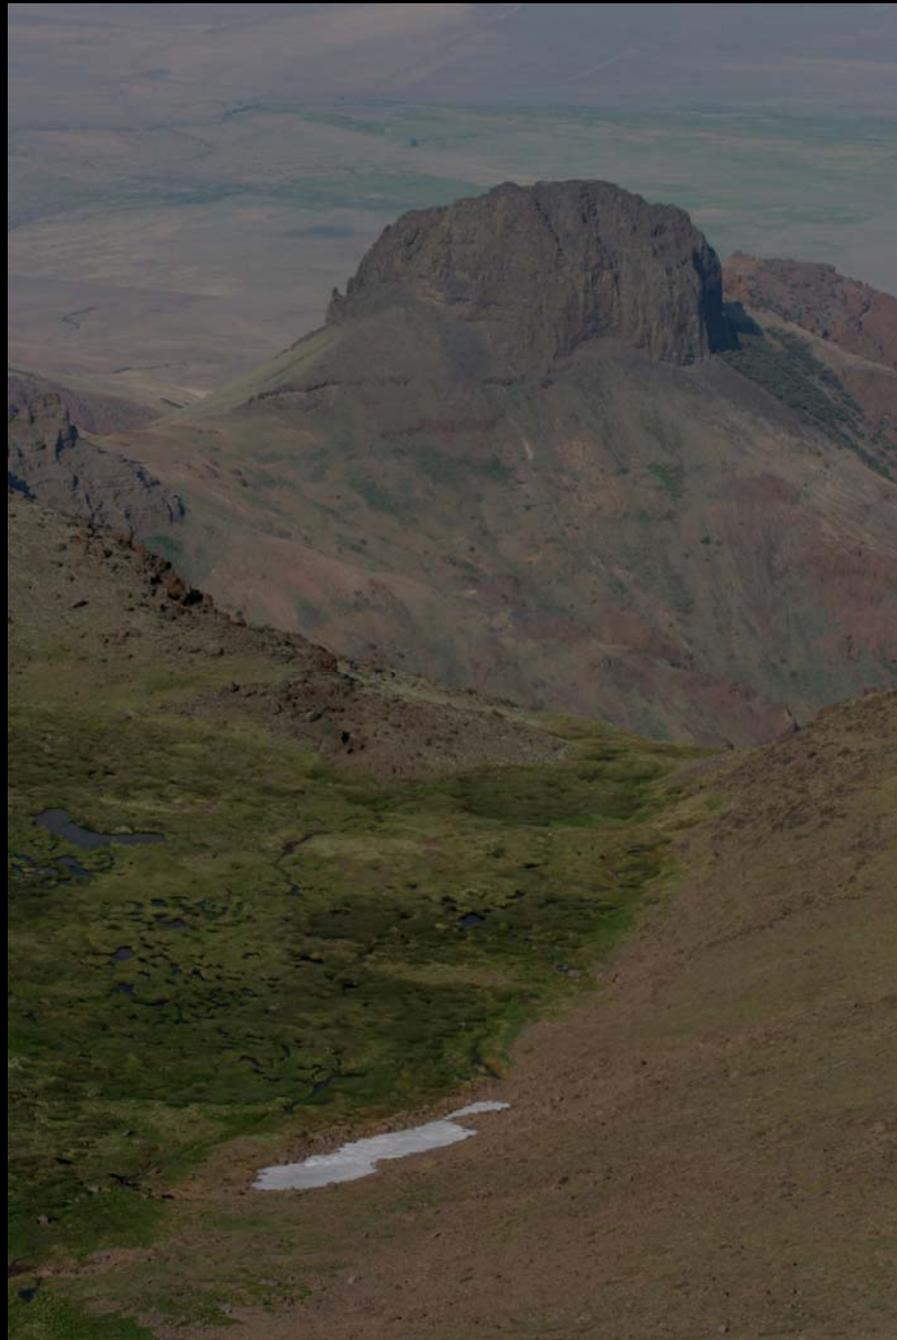

**E ridge of Wildhorse Canyon atop Steens, and with  
view of SW portion of Alvord Dry Lake**

# Tyler Southard risking it all

**A hanging  
valley**

**Students at  
the E face of  
Steens Mt,  
looming over  
the Alvord Basin**

**Chase Carter on Steens Mt overlooking  
Alvord Dry Lake, with water, to the E, 2005**

# View of Alvord Dry Lake from atop Steens Mt

**South view of Alvord Basin from Steens Mt.**  
(arrow points to study site location)

**View S from atop Steens Mt, showing the edge of the fault-block and Little Alvord Dry Lake**

# Wildhorse Canyon

# Another view into Wildhorse Canyon

# Snowmelt streams in Wildhorse Canyon

# A small lake near the top of Wildhorse Canyon

# July wildflowers on Steens

# A view toward the Alvord Basin from Steens Mt

# Male students, TA, & Course Instructor, 2006

# The 2007 field crew near Steens Summit

**A view up a drainage, along E base of Steens Mt,  
somewhere N of Alvord Ranch**

# Camping site just off of E Steens Rd

# Magnificent mailbox!

## The base of Steens Mt, N of Alvord Ranch

**Cloud-shrouded view up a drainage toward Steens Mt,  
from E Steens Rd, somewhere N of Alvord Ranch**

**Looking SW toward Steens Mt as seen from E Steens Rd**

**Looking SW toward Steens Mt as seen from E Steens Rd, just N  
of the other prior photo**
